

MUSTAFA BAKIR

mb9457@nyu.edu | +971 50 187 0982 | mustafabakir0.github.io
New York University Abu Dhabi, B.A. in Interactive Media, Class of 2027

SKILLS

Programming: C++, Python, JavaScript, C#, MATLAB, LaTeX, React, Arduino, CircuitPython, Web Development
Design & Creative Tools: Illustrator, Photoshop, After Effects, Cinema 4D, Vegas Pro, Premiere Pro, Unity, TouchDesigner
Fabrication & Hardware: 3D Printing, Laser Cutting, Electronics Fabrication, Soldering, MIDI Controllers

EXPERIENCE

Research Assistant: Robotics 2026 – Present
NYU Abu Dhabi

- Collaborate with Professor Michael Shiloh on designing and programming autonomous robotic systems integrating actuators communication modules, and sensor arrays for performance and interactive applications
- Fabricate custom robot chassis and electronic housings using laser cutting, 3D printing, and circuit board assembly while maintaining comprehensive project documentation

Research Assistant: Interactive Media 2025 – Present
NYU Abu Dhabi

- Collaborate with Professor Michael Ang on prototyping interactive electronic devices, including robots and custom MIDI controllers
- Program Arduino and CircuitPython systems for interactive media applications and performance installations
- Fabricate hardware using 3D printing, soldering, and laser cutting; support exhibitions showcasing research outputs

Admissions Ambassador 2024 – 2026
NYU Abu Dhabi

- Delivering 40+ tours and information sessions to thousands of international and local visitors on academics and campus life
- Managing data entry and provided high-quality service in fast-paced, multicultural settings

Project Coordinator 2024 – 2025
Violet Racing, Formula SAE Team

- Led cross-functional coordination securing \$40,000 in sponsorships through strategic pitching to major companies (Clickup, Perplexity, etc)
- Managed documentation, meeting agendas, vendor coordination, risk mitigation, budgeting, and performance tracking

Candidate Weekend Group Leader 2025 – 2026
NYU Abu Dhabi

- Chaperone up to 20 candidates (aged 17–19) per 4-day intensive college admissions assistment program 4 times throughout the academic year, maintaining 100% accountability through proactive coordination and personalized engagement
- Provide all-day long frequent WhatsApp Communities and Slack communication for real-time updates and support while monitoring well-being and addressing behavioral issues

Arabic Teaching Assistant 2024 – 2025
NYU Abu Dhabi

- Assisted teaching Arabic at all levels and led cultural events bridging non-native learners with Arab language and heritage
- Supported course delivery for 200+ students over 4 semesters, fostering linguistic and cultural understanding

Summer Academy Teaching Assistant Summer 2025
NYU Abu Dhabi Summer Academy

- Supported intensive AI creativity course for 15+ high-achieving Emirati students, teaching AI fundamentals, LLMs, computer vision, and machine learning concepts
- Designed course content through extensive research and diverse teaching methods while assisting with assessments and grading

LEADERSHIP & CERTIFICATIONS

President, Al-Diwan Arabic Poetry Student Interest Group
Mentor, Syrian Youth Empowerment Initiative
Completed Spearhead Training's Excellence In Customer Service
Mentee, Global Mentorship Initiative Program
NYUAD Protection of Minors eLearning Certified
